

Conference Announcement

The Michigan Stormwater Floodplain Association (MSFA) would like to invite you to the MSFA's 23rd Annual State conference March 3-5, 2010.

The conference will be held at the Doubletree Hotel Bay City Riverfront in Bay City.

Who should attend?

- Community leaders who are concerned or interested about their community's floodplain mapping, the National Flood Insurance Program, flooding, or stormwater issues
- Building inspectors, zoning administrator, engineers, drain commissioners
- Consulting engineers, resources management consultants, and others
- Emergency managers
- Certified Floodplain Managers, Professional Emergency Managers, building inspectors and community officials in need of continuing education credits

Building Officials: *2 Technical, 1 Administrative, and 1 Specialty Credits*

Professional Emergency Managers: *8 Credits*

Certified Floodplain Managers: *12 Credits*

Highlights

- Grant Overviews – both for floodplain mitigation and for stormwater/water quality
- Continuing education credits for attending: 12 for CFMs, 8 for PEMs and 4 for building inspectors (special pre-conference workshop)
- CFM Exam and refresher course (There is a separate fee to take this exam. The refresher course is free of charge)
- Industrial Stormwater Certification Exam
- Construction Stormwater Certification Exam
- WARD'S Stormwater Floodplain Simulation System Workshop
- Demonstrations of "FLOOD MANAGER" a interactive professional game developed by the ASFPM Foundation
- Friday's Session devoted to planning for, what happens during, and the aftermath of a flood event
- Networking opportunities with local, state and federal officials; other floodplain and stormwater managers, consulting firms and non-profit organizations
- Exhibitor/vendor areas and receptions
- Full conference or single day registration available
